

“AKA Jesus” Instructions

The Concept: Players will decipher clues to find various names of Jesus.

Items Needed: None.

Instructions: This game can be done on an individual basis or in teams. There are various types of puzzles/clues for the names of Jesus, such as fill-in-the-blank, paraphrase/rewording, picture clues, or word puzzle.

When a team/person knows the correct name of Jesus, it's up to you how you have them show you they know it. You could have them raise their hand, stand up, run to the front, yell out their mother's maiden name, or whatever you want. If you split the group into teams, try to keep them under 13 people. This way, each player will have a chance to perform the “we-know-the-answer” action.

Scoring: One point for each correct answer. There's a tiebreaker if any of the teams/individuals are tied after the last question.
