

Aria Leonna Brown - 10 years old

Real life Disney princess

Mystery - body and soul

2 Corinthians 5:8 NIV

[8] We are confident, I say, and would prefer to be away from the body and at home with the Lord.

We love her body and soul...

But Her body had so many medical issues.

We had to say goodbye to her body.

Her soul is at home with the Lord.

Her Lord

Aria's faith

We sang- Here I am to Worship

Jesus is who she was singing about

She never forgot this knowledge.

**Brain surgery - somethings are not
stored in the mind**

Hebrews 11 - Faith heroes

**11:38 the world was not worthy of
them.**

**Hospital rooms, surgical centers... filled
with nice caring people...**

**Homes filled with loving people with
servant hearts...**

**Advocate who fought for a better life
for Aria...**

**That was nice... but she was worthy of
a lot more than this world had to offer.**

She was taken to a new world.

We still want Aria here.

She is in a more worthy place.

**Absent from the body and present
with the Lord.**

One day - brand new body.

Will we see Aria again?
