Praise You in the morning  
Praise You in the evening  
When I'm young and when I'm old  
Praise You when I'm laughing  
Praise You when I'm grieving  
In every season of the soul

If we could see how much You're worth  
Your power, Your might, Your endless love  
Then surely we would never cease to praise You

Praise You in the heavens joining with the angels  
Praising You forever and a day  
Praise You on the earth now joining with creation  
Calling all the nations to Your praise

If they could see how much You're worth  
Your power, Your might, Your endless love  
Then surely they would never cease to praise You
