The More I Seek You

```
E          B       C#m
The more I seek You
           A
The more I find You

E          B       C#m
The more I find You
           A
The more I love You

Chorus:
E                    B
I wanna sit at Your feet
                              C#m
Drink from the cup in Your hand
                            A
Lay back against You and breathe
          B
Feel Your heartbeat

E               B
This love is so deep
                      C#m
it's more than I can stand
  C#m/B             A
I melt in Your peace
         B
It's overwhelming.
