

# Surely My Soul Does Wait

Sarah Fluitt

## Verse 1

Surely my soul does wait                      Silently I await  
For the Lord is my Rock and my Salvation  
God You are my defense                      In You I will not be moved  
Surely my soul does wait                      For You

## Chorus

They that wait upon the Lord    Shall renew their strength  
They shall mount up with wings as eagles  
They shall run and not be weary                      They shall walk and not faint  
So my soul does wait    For You

## Bridge

You are worth waiting for                      We will wait for You, We will wait for You
