Lyrics:
"We Don't need anything but You. And that's the truth. We don't need anything but you."
"We don't need this melody. We don't need these words."
"If we lost everything But we still had You."
"We don't need these instruments... All we need is You."
Then We's gain everything... All me need is You."
"You're all we need..."
"We say we're rich but we are poor. We think we see but we are blind"
"Claim we are clothed but we are naked. Pitiful and wretched."
"Lord Give us the gold that's been tried in the fire, that we might be rich in You. Clothe us in Your Righteousness, and put oil on our eyes that we might see."
