Count Your Blessings one by one
Remember all the things that He has done
He's done so much for us, we cannot tell it all

New Mercies day by day
A Love and Grace that does not fade away
We thanked Him yesterday, But here we are again

It's a new day the Lord has made
A new day to sing His Praise
I will rejoice and be glad
It's a new day, Let darkness flee
A new day, the truth has made us free
I will rejoice and be glad
It's a new day

Though sorrow may come it will only last a night
Though Sickness may come it will only last a night
Though death itself may come it will only last a night
Joy Comes, Joy Comes
Joy Comes with the morning Light

I have found the way that leads to endless day
 Yonder in the glory land
 And the road is bright for Jesus is the light
 And I'll hold His guiding hand

I will never fear while Jesus is so near
 I will bravely meet the foe
 Happy songs I'll sing in honor to the King
 And to glory onward go

There's a man that's sitting in a dark room
 Just wrote a letter that said goodbye
 Thinks the world would be better off without him
 He holds a gun against his head

It's not too late
 (Don't throw your life away, You've been lied to
 You're not a loser, You're not a lost cause)

Stop for a moment and listen to what the Father has to say...

You are loved, no matter who you are
 No matter what You've done
 No matter where You're coming from

You are loved, even when you fall
 You can hear this call ringing out loud and clear
 You are loved

There's a young woman walking down a dark street
 You can see sadness in her face
 She'll spend the night with anyone who's paying
 She's trapped in fear, guilt, and shame

It's not too late
 (Don't throw your life away, You've been lied to
 You're not worthless, You're not a throw away)

Stop for a moment and listen to what the Father has to say...
