

Enoch is a character in Scripture. He only has 4 verses in the Bible but he is an amazing character.

Genesis 5:24 (NIV2011) Enoch walked faithfully with God; then he was no more, because God took him away.

Enoch walked faithfully with God... and then Enoch was no longer on earth... because God took Him.

We are here to remember & celebrate the life of Frances.

Many of us were shocked at the news of your passing, Frances. We knew you had a struggle ahead of you with the cancer diagnosis, but we thought we were going to have you so much longer.

Frances, we understand that instead of fighting that battle, God had other plans. Like Enoch, you walked faithfully with God, and God just decided to take you home.

Friends and families, I really believe that is the correct way to look at this.

- Cancer did not take Frances. God took Frances home.
- Death did not claim Frances. The one who ever lives claimed her.

Really her obituary should read, "Frances has moved." She is in a beautiful new place with the God she walked faithfully with... In this move she has a restored mind and a new glorified body.

I believe my Aunt Frances wants me to share something with you today. Here it is...

If you love the right things, you will love them for eternity.

Our Frances was full of love. She was a character and a joy to be around. If we have any regret today it is that we were not around her more.

Frances loved music

- She loved good music.
- She loved to sing in this Church choir.
- She loved to play a B-3 Hammond organ with a Leslie speaker.

Frances is experiencing the best music ever right now. She is singing with angels right now. She is going to love music forever...

If you love the right things you will love them for eternity.

Frances loved people

- She was a faithful friend.

Frances will never see another person who doesn't love her.

Frances just gained a lot more friends.

In God's kingdom she will be known by everyone and loved by everyone.

If you love the right things you will love them for eternity.

Frances loved God's presence

- Frances loved to worship God. She loved to lead others in worship.
- She loved to feel God's presence.
- She was well acquainted with God's Holy Spirit.

Frances is closer to God's presence than ever. To be absent from the body is to be present with the Lord... She is with the Lord forever.

If you love the right things you will love them for eternity.

We love Frances, and you can love her for eternity.

You can be with Frances for eternity. Here is how...

You need to love Frances' savior, Jesus Christ.

Frances loved Jesus. She really believed Jesus died on the cross for her. She really believed that His blood covered all her sin.

She believed in repentance, that if you confessed your sin, Jesus was faithful and just to forgive.

She believed in the name of Jesus. She was baptized in that name and rose to a new life.

She believed in the infilling of Holy Spirit. She had Jesus living inside her.

Frances wants you to know that you need to have a relationship with Jesus Christ. If you love the right things, you will love them for eternity.

Jesus Christ is the right thing. If you will love Jesus Christ then you will love the best things in life for eternity.

A relationship with Jesus starts with believing and simply obeying. We are commanded to repent, to confess and turn away from our sin. Sin is the thing that disrupts our relationship with Jesus.

So let's repent. Let's love the right things today...
